**STUDENT PLEDGE
2017-2018**

Pre K-3 and Pre K-4

I am determined to be the very best child I can be.

I am determined to come to school each day with all the tools necessary to do my work.

I am determined to complete all assignments in school and to do my homework as required by my teachers.

I am determined to develop my academic potential and to help teach others what I learn.

I am determined to keep my work area clean and take good care of my classroom materials.

I am determined to be respectful, kind and helpful to my schoolmates, my teachers, my family and people I meet wherever I may go.

I am determined to be aware of my feelings and my behavior and I promise to try to understand how other people are feeling and why they act the way they do.

I am determined to think first about the different ways to solve problems; and then to choose the best solution without using violence, verbal abuse or any other negative actions.

I am determined to eat healthy foods, to get a good night's sleep and to exercise on a daily basis.

I am determined to respect myself and remember that I am a special person.

To abide by the four anti-bullying rules:

3. We will try to include students who are left out.
4. If we know that somebody is being bullied, we will tell an adult at school and an adult at home.
